We like to think of Jesus bringing peace and joy, healing, and inspiration as he traveled from village to village with his disciples. But at this point in Luke's Gospel he is making his way to Jerusalem, where he knows what he will face, and his message has become sobering. The road to redemption is difficult. Jesus knew that sin and evil must be confronted. Our own encounters with sin and evil can be divisive, as Jesus warned his disciples. Let us pray for the will and the courage to stand up for what is right and good and holy, no matter the consequences.

Hebrews 12:2

**FIRE IN THE MUD**

Prophets have been described as being on fire with God's message. Today, that fire in Jeremiah has to keep burning in the bottom of a muddy cistern. The rulers of his own people (including Judah's king, Zedekiah) have placed him there for speaking an unpopular, if truthful, message to them. His own people leave him there, mired in the mud, to starve and die. It takes a foreigner, an outsider, to convince Judah's king that Jeremiah ought to be rescued, his life spared to continue as God's prophet. As so often happens in the lives of the prophets, the help and saving power of God are shown through unexpected people in unexpected ways. We can often find ourselves mired in mud of one sort or another. Do we truly have the fire of God's message in us, so that we can look for our rescue from places we might not expect?

**SPIRIT FIRE IN THE SUMMER**

A generation or two ago, these Summer Sundays in Ordinary Time would have been known as Sundays "of Pentecost." That naming convention helped recall that the Spirit's Pentecost fire was carrying us through all the Sundays until the end of the liturgical year. Though we may no longer use that name for these Sundays, the underlying reality is the same. The fire that Jesus speaks about today is the blaze of the Spirit. The fire he spoke about when he told his followers they were light for the world was the flame of the Spirit lighting the lamp of discipleship. It takes courageous disciples to allow the blazing fire of which Jesus speaks into their lives, to allow its light, warmth, and even cleansing to work in them and through them. Though we may not want to think about the heat of the Spirit's fire on a summer Sunday, that Spirit is always with us, burning within.

### ARE YOU SEARCHING FOR MEANING IN YOUR LIFE?

*Who am I?* To find clues as to the meaning of life, we must first look at ourselves. Join us in adult faith formation this Wednesday, August 17th after the 5:30 Mass, as we find the answer to this question. We will meet in Haffner Hall, where we will watch a short video from Formed, and then discuss how it relates to our lives. Anyone, high school age and above, we would love for you to join us. Hope to see you there.

"Death is a decisive moment in the human person's encounter with God the Savior. Helping the Christian to experience this moment with spiritual assistance is a supreme act of charity. It encompasses the patient with the solid support of human relationships to accompany them and open them to hope... While palliative care cannot entirely eradicate suffering from people's lives, it provides an authentic expression of human and Christian care—allowing us to 'remain' at the side of a suffering person, as the Blessed Mother and the beloved disciple remained at the foot of the Cross."

"I learned from working in summer catechetical programs that I loved sharing the faith and that community prayer was a great source of strength. As I taught children about being open to the different vocations and God's plan for their life, I began to take this advice to heart. I soon visited a Convent and fell in love with the charism: bringing Christ to the young and the young to Christ. Through the generosity of fellow parishioners, I was able to pay off my student loans before entering the convent. This is truly a blessing, and their prayerful support gives me the courage to keep saying 'YES'."
