**FORMED** THE CATHOLIC FAITH ON DEMAND.  
Persecution and Defense | The Early Christians | Episode 3  
Christians are attacked by the imperial authorities, by the public opinion through slander, and by pagan intellectuals. How did they react? Not with violence, but by conquering minds and hearts. This was achieved mainly by the shining figures of the Apostolic Fathers, building stones of the Christian tradition. Special focus on the danger of Gnosticism, and the Apocryphal writings. Who were the Apologist Fathers? How was their dialogue with the pagan culture?

**October 13th, 2024**

**Twenty-Eight Sunday in Ordinary Time**

**Living for Eternal Life.** Let us put ourselves into the gospel story today. All of us want to “inherit eternal life.” All of us strive to do what God commands, to do what is right and just. All of us strive to not let the things we have possess us. But it is hard going-impossible without reliance on God. This eternal life for which we long, this Kingdom of God in which we live now, is begun already in us and is fulfilled in completeness when we see God face-to-face for ever.

- What gets in my way of gaining eternal life-things, attitudes, behaviors?
- What mercy work will I do that lets me share what I have with someone in need?
- How will I follow Jesus more closely this week?

**Respect Life Corner** “An old Irish proverb says, ‘It is in the shelter of each other that the people live.’ Indeed, we are created to depend upon one another and walk together in suffering. But when family members or friends approach life’s end, we may not know how best to ‘shelter’ them. **VOCATIONS CORNER** – “Growing up in northern California, I never saw any nuns or religious sisters except the Poor Clares of Perpetual Adoration on EWTN. Even still, as a young girl, I felt God’s call to become his bride. As a teenager, though, I was drawn to marriage and motherhood and dreamed of designing wedding dresses as I raised my children. I pushed away the thought of a religious vocation – that is, until two Marian Sisters of Santa Rosa came to our diocese. I saw them at daily Mass and immediately wanted to get to know them, so I joined the Marian sodality for high school girls. They told me, “If you consecrate yourself to Mary, she will help you find your vocation.” Through discernment, Our Lady led me to join the Marian Sisters to proclaim and magnify her Son as she did. My earlier dream was forgotten, until one day, as I was sewing a white habit for one of our sisters, I realized that God had fulfilled my dream in a different way. I am now making wedding dresses – not for earthly brides but for brides of Christ!”
